PEACE

- Bring all the troops home now!
- Money for jobs, health care, education, housing and the environment--not war
- End the US occupations of Iraq and Afghanistan, and the US-supported Israeli occupations of the West Bank and Gaza
- Reject the "Long War on Terror" and say no military action in Iran, Syria, North Korea, Somalia, or anywhere else under that banner
- Close the US prison camp at Guantanamo Bay and end the assault on civil liberties at home
