

9/11: Twenty Years of War, Stoking Fear, Erasing Rights and Misdirected Funding

*Expanded Friday Rally/March for Peace and Justice
please mask up and stay distanced for safety*

**Pioneer Courthouse Sq
SW Yamhill & Broadway**

**Friday, September 10, 2021
4:30-6 PM**

Join us to mark the devastating 20th anniversary of 9/11. Speakers will address issues that have plagued America and thus, the world, after the US chose to start endless wars rather than seek justice. Other than the wars, which expanded from Afghanistan to Iraq, Yemen, Pakistan, Libya, Somalia and Syria, topics will include threats to civil liberties / the prison camp at Guantanamo Bay and the rise in Islamophobia and anti-immigrant sentiments.

The Friday Rally for Peace and Justice began less than two months after 9/11 when Portland Peaceful Response Coalition gathered at Pioneer Courthouse Square every week. It has continued from Nov. 2001 to the present, with PJW's Iraq Affinity Group hosting since the COVID lockdown began in March, 2020 Event endorsed by Peace Action Group of the First Unitarian Church and Oregon Progressive Party.
