RALLY AND MARCH

Peace and Justice Works Iraq Affinity Group celebrates 20 Years of the Weekly Friday Rally for Peace and Justice started by Portland Peaceful Response Coalition (PPRC) in 2001.

Members of the Portland peace community have held weekly rallies at Pioneer Courthouse Square, since shortly after the US invasion of Afghanistan. The rallies focus on human rights issues domestic (police abuse, homelessness, racism, spying) and international (US wars, Israel/Palestine, drone warfare, climate change).

Join us to mark 20 years of marching!

Please mask up and stay distanced for COVID safety.
